## Grade K-5 Nightly Reading Log

As part of their nightly independent practice, your child is expected to read every night. The suggested reading time is **20 minutes per night**, however I understand that busy schedules can make this difficult to achieve every evening. Instead I ask you to set a weekly goal for your child and then track their reading through the week. Reading logs are to be handed in Monday morning.

Goal for the Week: \_\_\_\_\_ Minutes

	What I read...	Minutes	Guardian/Reading Buddy Initials

<b>Tuesday</b>			
<b>Wednesday</b>			
<b>Thursday</b>			
<b>Friday</b>			
<b>Saturday Sunday</b>			
	Total Minutes:		

**\*Don't forget to hand in your reading logs Monday morning!**

## **Guidelines:**

- **Have fun!**
- **This is to promote the love of reading, not intended to be punitive. (ex. Lunch detention, walking at recess, standing at recess, study hall, taking away privileges)**
- **Not intended for a grade, participation points or extra credit**
- **School wide, grade level or classroom incentives are encouraged**
- **If a student is consistently not completing the reading log, they could buddy read with another student or staff member**
- **Teacher shares examples with a variety of texts with students and parents**
